Describe the rationale for the proposed program change(s):

(Explain your reasons for creating, revising, or deleting the curriculum or program.)

The Department of English eliminated the option of the History/Journalism concentration in 2006, with the provision that students completing the concentration would be allowed to do so and that future students interested in combining History with Journalism could do so by majoring in History and minoring in Journalism. The History department approved the English Department's decision – with reservations – on September 14, 2006. The purpose of this form is to confirm something that is already a *fait accompli* and to remove the "History/Journalism Concentration" from the University Catalogue.

Program Requirements:

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)
