Describe the rationale for the proposed program change(s):

(Explain your reasons for creating, revising, or deleting the curriculum or program.)

The Policy History concentration fell into disuse. No student has taken it in several years, and there is no impetus from within the department to revive it, including from the faculty member who was the prime mover in instituting the concentration in the first place. In its meeting of March 16, 2006, the Department of History unanimously approved a motion from the department's Undergraduate Studies Committee to eliminate the concentration from the history major.

Program Requirements:

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)

Omit "Policy History" from Course Catalog (see pp. 130-131 in 2006-2007 catalog).
