We are seeking to remove the ensemble requirement from the current Musical Studies Minor.

The stated aim of the minor is as follows:

The Musical Studies minor is for nonmusic majors who wish to increase their knowledge and understanding of the history and theory of music. No audition is required for admission into the Musical Studies minor.

The present requirement may exclude interested students who do not have a performance background but are interested in furthering their knowledge of music.

Program Requirements:

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)
