Eric – see below:

Eleven additional credits of related work. 11  
Related work is any course taken in the following departments: Human Development and Family Studies, Psychology, Criminal Justice, Public Policy, Organization and Community Leadership, Education, Political Science, Economics, Black American Studies, and Women’s Studies. Consultation with the concentration adviser is recommended in selecting these courses. Courses from other departments may be approved ~~in consultation with~~ **by** the concentration advisor.

OK?

Steve
