Dear Gail:

This letter is written in support of the M.Ed in Higher Education. I strongly support the creation of this program and welcome the opportunity to contribute to the growth of it. It will meet the needs of graduate students who have an interest in pursuing careers in athletic administration in the higher education environment.

The sport management faculty will welcome the students from the program into our existing graduate courses, and I am prepared to assist in serving as a mentor for those students and will assist in overseeing and placing students in appropriate sites for the required internship experience.

If you need additional information, please do not hesitate to contact me.

Sincerely,

Dr. Matthew J. Robinson
Associate Professor of Sport Management/
Director of Sport Management Program
