

Dear UD Member,

Please note that paper-form APA's will no longer be used beginning in the 2017-2018 Academic Year, for changes/proposals that will be effective in the 2018-2019 Academic Year. The APA form is now housed in a work-flow software, Curriculog, and can be access here: <https://udel.curriculog.com>. For any assistance or questions, please contact curriculog@udel.edu.

Thank you,
