"Academic Impacts of Recent Winter Session Changes"

Duplicate Credits – Naomi Nash will attend meeting for this item – ([attachment](#)) – Naomi Nash, Associate Registrar, attending the meeting and explained the current duplicate credit policy and the proposed policy. The main concern with the current policy is that individual departments are manually checking out students and should be looking for courses with similar content that should not to be counted twice. However, most departments are not checking at all. The current policy will allow for system checks prior to student check out and will only count the three credits.
CCE Approved this item unanimously.
